## RevNGo.com GT&C extension

### About the amount of commission paid by the Client to the Provider

1. The exact amount of net commission described in paragraph VIII. of the current RevNGo.com GT&C ( <http://revngo.com/gtc> )

2. For contractors within the European Union (excluding Hungary):

Every client with VAT ID will be provided a net (VAT free) invoice.

Every client with no VAT ID will be provided a gross invoice, additionally to the net commission, in accordance to the relating laws of the European Union.

3. For contractors outside the European Union:

Every client will be provided a net (VAT free) invoice.

4. Commission is to be payed based on the accommodation category and location, according to the following table from 1st january 2017.
